ABOUT ECMC

The ECMC Corporation includes an advanced academic medical center (ECMC) with 550 inpatient beds, on-and-off campus health centers, more than 30 outpatient specialty care clinics and Terrace View, a 390-

bed long term care facility. ECMC is a regional center for trauma, burn care, transplantation and rehabilitation and is a major teaching facility for the University at Buffalo. Most ECMC physicians, dentists and pharmacists are dedicated faculty members of the university and/or members of a private practice plan. More Western New York residents are choosing ECMC for exceptional patient care and patient experiences—the difference between healthcare and true care™.
