ABOUT ECMC
The ECMC Corporation includes an advanced academic medical center (ECMC) with 550 inpatient beds, on-and-off campus health centers, more than 30 outpatient specialty care clinics and Terrace View, a 390-bed long term care facility. ECMC is a regional center for trauma, burn care, transplantation and CARF-accredited rehabilitation and is a major teaching facility for the University at Buffalo. Most ECMC physicians, dentists and pharmacists are dedicated faculty members of the university and/or members of a private practice plan. More Western New York residents are choosing ECMC for exceptional patient care & patient experiences—the difference between healthcare and true care™.
Conference Description:
Therapists working in outpatient rehabilitation settings are challenged by the medical complexities of their patients and the responsibility of finding creative ways to improve patient outcomes. This conference is designed to provide knowledge of best practices, current trends and contemporary topics pertaining to the management of our outpatient community.

Target Audience:
- Physical Therapists,
- Physical Therapy Assistants
- Occupational Therapists
- Occupational Therapy Assistants
- Speech Language Pathologists
- Therapy Students

Continuing Education Credit:
ECMC is recognized by the NYS Education Department’s State Board for Physical Therapy as an approved provider for physical therapy continuing education. This seminar is awarded 7.2 contact hours.

ECMC is recognized by the NYS Education Department’s State Board for Occupational Therapy and Speech Language Pathology as an approved provider for occupational therapy and speech language pathology continuing education. This seminar is awarded 6.0 contact hours.

Location of Symposium within ECMC:
Smith Auditorium, 3rd floor of the hospital.
