Mobile Mammography makes it so easy!

No family doctor? No insurance? No problem.

- **If you are 40 or older and have never had a mammogram OR you are due for your annual mammogram** please call **716-632-7465, Option #3** to reserve your appointment time.
- On the day of your appointment, please bring your insurance card, photo ID, mammogram script, and prior mammogram films and/or CD, if available. **If you do not have a prescription** we will have a nurse practitioner on site performing clinical breast exams prior to your mammogram appointment, she will be able to provide a prescription as long as it is a screening mammogram.
- **If you do not have insurance coverage, please contact Cancer Services Program: 585-593-4839 Allegany & Cattaraugus Counties or 716-858-7376 Erie County.** They will pre-register you and let you know in advance if they will provide payment coverage the day of the mammogram.
