Addendum Number 3 to RFP # 21811

CAMPUS PARKING LOT MANAGEMENT SYSTEM

The deadline for submission has been extended to:

Monday, April 2, 2018 at 11 a.m. EST.

The following questions were submitted to the Designated Contact:

1. Item # 7 states Lot B has 1 entry/exit, but Appendix C revised show 3 lanes; which is correct? And if 3 how many are entry lanes and or exit lanes?

Lot B has 1 entry (as only 1 way to enter this parking lot). Likewise, Lot B has only one exit (as only one way to exit the lot). However, the exit consists of two exit lanes.

2. Item 42 answer states "All lot entries that have gate arms would have ticket dispensers (with the exception of Lot I [garage]). All lots that have gate arms would have to be able to have the arm lifted via an RFID/AVI solution." Does this mean Lot I (garage) will not have an exit station as well and would be for monthly/tag holders only?

Lot I (garage) would not need an exit station (it is not necessary to have the ability to accept payments) because Lot I is reserved for tag holders only.

3. With the addendum being released on Monday 3/26/18 at 2:56pm and Friday 3/30/18 being a holiday, can an extension of 1 day be granted for submissions to Tuesday 4/3/18 instead of Monday 4/2/18?

The deadline will remain at Monday, April 2, 2018. We took into account that Friday is a holiday for some when the deadline was extended to Monday, April 2, 2018.
