

ECMC Certificate of Appreciation Presentation
March 28, 2017

Sharon calls meeting to order and states that Tom has a special presentation.

Tom:

- We are joined today by several special guests.
- We all recall two weeks ago tomorrow a dramatic event that occurred not far from ECMC where the health and safety of an innocent 3-month-old infant was placed in grave jeopardy.
- Thanks to the split second decision of an NFTA police officer, the assistance of ECMC's Police Department and the swift treatment of our Emergency Department, the young child was cared for immediately, stabilized and taken out of harm's way.
- And so for their collaborative efforts on behalf of a young, defenseless child we today extend our deepest appreciation for all of the individuals that came together to save this infant's life and present these individuals with ECMC's Certificate of Appreciation.
- **Tom & Sharon will stand by the ECMC backdrop and then call out each attending individual and present them with their framed certificates in the following order:**

**oNFTA Transit Police Officer David A.
Capretto**

- **Acknowledge presence of NFTA
Executive Director Kim Minkel,
NFTA Police Chief George Gast and
NFTA Director of Public Affairs Doug
