

Erie County Medical Center Patient Visitation

Updated: September 8, 2021

In an effort to protect our patients, families, visitors and staff against the spread of infection, and in accordance with New York State Department of Health (NYSDOH) guidance, ECMC has implemented the following visitation policy at all sites, effective **September 8, 2021**. This does not apply to those seeking treatment.

Inpatient Visitation

1. Two designated inpatient visitors per day are permitted. The patient or their legal representative will determine the designated essential support persons who can visit the hospital.
2. No Visitation Permitted for COVID-19 Inpatients, COVID-19 Patients Under Investigation (“PUI”) or patients in quarantine with compassionate exceptions for end-of-life.
3. Visiting hours are from 1:00pm – 7:00pm.
4. If you cannot visit or outside of visitation hours, you can contact your loved one over the phone or through a scheduled video call. The patient’s care team can help set up the video call.
5. All visitors are required to comply with our screening checkpoint procedures. If you cannot comply with the screening measures, you cannot have an in-person visit in the hospital.

Critical Care Units

1. Two designated inpatient visitors per day are permitted for the duration of a patient’s stay. The patient or their legal representative will determine the designated essential support person who can visit the hospital.
2. COVID-19 patient visitation remains prohibited for the safety of our patients and caregivers, with compassionate exceptions for end of life.
3. Visiting hours are from 12:00pm – 2:00pm, 5:00pm – 6:00pm and 8:00pm – 9:00pm.
4. If you are not able to visit, you can contact your loved one over the phone or through a scheduled video call. The patient’s care team can help set up the video call.
5. All visitors are required to comply with our screening checkpoint procedures. If you cannot comply with the screening measures, you cannot have an in-person visit in the hospital. All visitors are required to wear a mask at all times and remain in the patients room during visitation.

KeyBank Trauma and Emergency Department

1. Two support persons permitted per patient. Two visitors will be able to accompany you in the Emergency Department, and your visitors must remain in the patient’s treatment room for the entire visit.
2. At times we may need to restrict visitation to maintain an appropriate care environment for our patients.
3. All visitors must be screened for COVID-19 symptoms.
4. Each visitor must wear a mask at all times, and ensure social distancing with proper hand hygiene.
5. If your loved one is admitted to the hospital, you may accompany them to their room during inpatient visiting hours. If they are admitted outside of visiting hours, you must return during visiting hours.
6. Pediatric patients may have both parents as essential support persons.
